Recommended Route to Cycle The "Loop"
Begin the "Loop" in downtown Madison at the Four Freedoms Park traveling south to SR 14, over I-10 and down to CR 360 to Sirmans. Head north on US 221 to the scenic railroad town of Greenville where you can rest at Haffye Hayes Park. Continue east on US 90 to CR 150, where you will experience moderate hills and a few "toughies". Travel north to the Cherry Lake Crossroads where you can rest, refuel and if you're full of energy circle the 600 acre Cherry Lake which is surrounded by beautiful homes and cabins. On the north

side there is a 4-H Camp and a county park for rest and relaxation. Return to the "Loop" at CR 150 and travel to SR 145 for a short ride to Pinetta and enjoy the small town atmosphere. Continue on CR 150 to CR 255 to the next stop - the "Little But Proud" Town of Lee. Stop by city hall to picnic and then savor this quaint town before setting your RPMs at a comfortable pace to ride the next 11 miles of flat roads, bordered by trees, farms, and blue sky. When you reach SR 53, you'll head north on the last stretch, passing under I-10 for

the fourth time. It is only seven miles back to the Four Freedoms Park which will complete the ride. Bring your family or group to cycle the "Loop" in one day or take your time; segment your itinerary with the shortcuts which cross less dense areas in beautiful and varied landscapes. Always help turtles cross the road and keep your eyes open for the unique qualities of this area. Enjoy the Madison County Loop!

Four Freedoms Trail (pictured on back)
Completed in 2012, the Four Freedoms Trail in Madison County was constructed as a joint effort between the county, Suwannee River Water Management District, the Office of Greenways and Trails, and the Florida Department of Transportation. The 12 mile recreational trail extends north from the city limits of Madison to the Withlacoochee River at the Florida-Georgia border. People can enjoy walking, biking and horseback riding along the paved trail, which provides covered rest areas along the way.
